<bioghist>
    <p>The League of Women Voters was founded in 1920 as women
won the right to vote. There are local chapters that individuals
can join to help spread the organization's mission of helping
```

women become involved with with public affairs. Though nonpartisan, the organization supports many progressive public policy positions. There are over 1,000 local leagues and 50 state leagues. Men were granted admission into the league in 1973.</p>

</bioghist>
